

CAVIAR TOURBILLON CAMO BLUE

jacobandco.com

In the Caviar Flying Tourbillon collection, the worlds of watchmaking and exquisite and experienced jewelry design are combined majestically, giving birth to a truly luxurious and priceless timepiece.

These veritable works of watchmaking art feature a sophisticated tourbillon movement with a stunning case and dial adorned with precious and rare sapphires in colors inspired by the rich, lustrous translucence of the finest caviar. The precious gemstones are invisibly set after an arduous and lengthy process to source and select the perfect stones to match each other in color and cut.
